2023

Let praise — not merely thanksgiving, but praise — always form an ingredient of thy prayers. We thank God for what he is to us, for the benefits which he confers and the blessings with which he visits us. But we praise him for what he is in himself, for his glorious excellences and perfections, independently of their bearing on the welfare of the creature. ... When thou singest praise, all creation (in a manner) sings in thee and with thee.

—Edward Goulburn
